Welcome to the **2023 Bath County Art Show**

When Elinor Hopkins and her cohort of art enthusiasts organized the first Bath County Art Show in 1965, could her team have imagined that more than five decades later the show would have evolved into the incredible, nine-day event it is today? Our success over these many years is the result of remarkable art show leaders and their dedicated volunteers who put an incalculable amount of time and energy into getting this done. To acknowledge the art show chairs who paved the way from our first show to our 58th, we present our first-ever list of show chairs on page 10. Our heartfelt gratitude to you all.

From the start, BCAA has supported and promoted local arts and artists. You—our members, donors, sponsors and friends—have been generous, and your gifts will allow us to provide more than \$80,000 in arts funding and scholarships this year—all for the benefit of our local community.

How do we use the funds we raise? The arts association supports the award-winning Bath County High School marching band; Garth Newel's Allegheny Mountain String Project and the Music Feeds Us benefit concert; art supplies, art books, performances and a field trip for the county schools; music at local gatherings and a free holiday musical performance for the community; locally produced films; art and craft classes; and much more. BCAA also provides scholarships to Bath County high school graduates and tuition assistance for continuing arts education for Bath County adults.

Because BCAA allocates much of its funding to providing art opportunities and experiences for young people, this year we've added a youth component to our show that encompasses work from artists ages 14 to 18 from Bath, Highland, Alleghany and Pocahontas counties. Enjoy this opportunity to explore what these talented young people have to offer, and consider it a preview of what you'll see in the future. Thank you for attending the 2023 Art Show.

If you'd like to be more involved with our organization, membership information is on our website. Please take a moment to become a member and help us continue to enrich our community by supporting the arts today.

A Tribute to Jack Williams

Our community lost a great friend last year when Jack Newton Williams passed away at the age of 101. Most people around Bath County knew Jack as the long-time pharmacist at the Hot Springs Pharmacy, and fifty-nine years of serving the Bath community with love and generosity is, indeed, a remarkably long time.

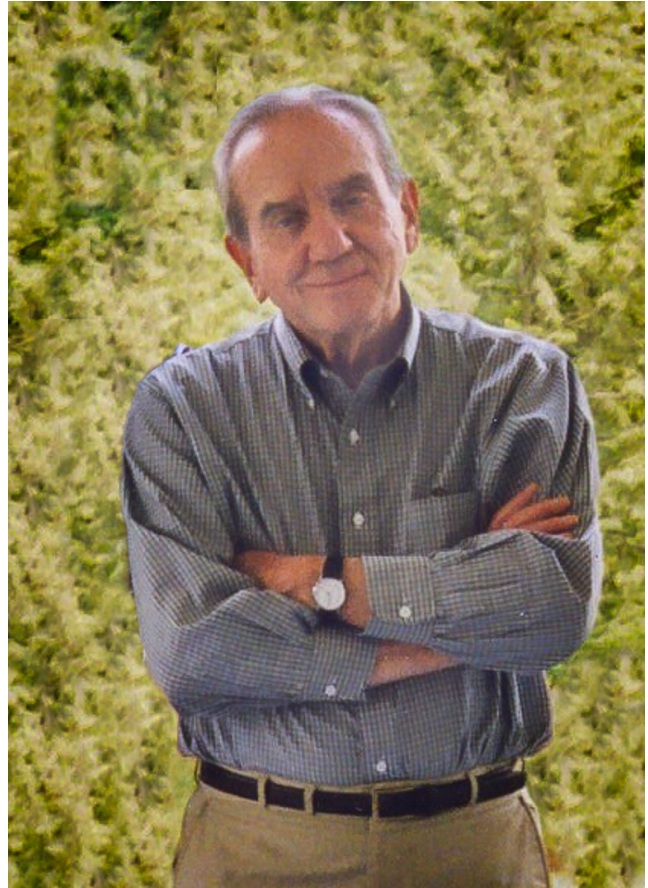

Jack was born September 8, 1920, in Turtle Creek, Pennsylvania, but he grew up here in Bath. Not long after Jack was born, his family moved to Cuba and on their return to the US, they settled in Ashwood.

Jack's first job was washing dishes at the Cascades Inn, where he found time to develop a love of golf. He later became a caddy at the Upper Cascades and played on the Goat Course with many of the well-known local golf greats. A 1936 graduate of Valley High School, he entered VMI as a RAT Cadet at the age of 16. Jack transferred to UVA and went on to Med School at MCV.

It was after returning to Hot Springs that Jack became the pharmacist at The Pill Box at the Homestead. Within a few years, he opened Mountain Pharmacy and soon acquired the Hot Springs Pharmacy, where he spent nearly six decades of his life.

In retirement, Jack enjoyed mowing his lawn and entertaining guests on the porch of the Jarman Camp on the Cowpasture River. Bath County Meals on Wheels was his passion for many years.

There are many anecdotes that fill out the story of Jack's life, and you'll hear them from his countless friends, patients and colleagues as well as from his children, Ann and Reed. Given the decades of devoted service that Jack contributed to the people of Bath County, it seems like we all have a favorite Jack Williams story to tell.
